

## June Pastors Corner

It's funny the way things go; Actions, reactions, new thoughts, old memories. I just finished moving my daughter and her family from Chandler, AZ to Chino Valley, AZ. It was really the first time we had spent any time together since the pandemic hit. The move was exhausting but a lot of fun spending time with family. I also just finished up a month of physical therapy from an unfortunate wrenching of my back. I'm feeling pretty good now and think I'll be able to slowly resume riding my bike, paddling my kayak, and hiking the trails all around our area.

So I get an email from our Lay Leader asking me where is my June Pastor's Corner article for the web page? Yikes!

So we have a revolving space for special music during worship. My slot is the third week of the month. I checked on what I would be preaching that week. If possible I try to have a special music piece to compliment my sermon and the the flow of worship. I will be preaching on Jesus calming the storm that particular Sunday. So I Googled "Songs about Jesus calming the storms. Lo and behold this chestnut from the Hillsong's of Australia songbook came up. It is written by Rueben Morgan one of my favorite Hillsong's composers. His songs are simple choruses with simple musical backing and straight to the heart of God's Spirit.

Here are the words. You can look it up on You Tube. It's a great prayer to still the soul and guide us forward when things are upset in our lives. I might even be able to sing it in a couple of weeks.

Still

Hide me now, Under Your wings  
Cover me, within your mighty hands  
Find rest my soul, in Christ alone  
Know His power, in quietness and trust  
When the oceans rise and thunders roar  
I will soar with You above the storm  
Father You are King over the flood  
I will be still and know You are God

May God bless each and everyone of us,  
Peace  
Pastor Bob
