

*Dear Creator,
Who resides in our hearts, speaks to our souls, and creates eternally.
Give us our daily dreams.
Forgive us for not being fully human.
Create in us hearts on fire.
Forge our mistakes into a universe of hope.
Help us to listen.
Thank you. Bob*

I was looking through some older documents and came across the above prayer and my musing on God and Jesus.

It is crucial that we understand Jesus was never upset with sinners; he was only upset with people who did not think they were sinners! How marvelous that our God-image is a wonderfully wounded and vulnerable man. This is a most unlikely image for God, unless we are able to comprehend that God is telling us something about the God Self – which is almost incomprehensible: God is also vulnerable. Something for us to think about.

Grace and Peace,
Pastor Bob
