

## October Pastors Corner

I can't remember where I found this, but it is an interesting take on the Affirmation of Faith we use in our traditional worship. Worth taking a look at.

### New Credo

I believe in God,

whose care for rightness and goodness preserves the world and who has promised us a new world beyond this one, that will make our struggles worthwhile;

I believe in Jesus Christ,

who died to make the new world a reality and who in the triumph of his resurrection calls us to spread the Gospel of that new world;

I believe in the Holy Spirit,

whose presence among us now empowers us to live with dedication and sacrifice and love in this world helping it become new;

I believe in the Church,

as the fellowship of Christ's followers, worshipping and learning, teaching and growing, until we have all taken upon us the image of Christ and become his representatives in the world; and I believe in coming together, as we have today, to sing praises, to humble ourselves in prayer and meditation, to listen to the Word, and to embrace one another in the warmth of fellowship as a foretaste of the new world that is coming through Jesus Christ our Lord. Amen.

Peace and Grace
