

Greetings to all in the name of Christ,

According to Punxsutawney Phil's prognostications on February 2 we should be shaking off the winter and moving into a beautiful spring. I do hope so. I'm ready, are you? I am also ready to immerse myself in the journey from Ash Wednesday to the amazing and glorious celebration of Easter. I'm not only thinking about what I might fast from during Lent but what I might engage in learning something new to my benefit and the benefit of the world around me.

I don't take this Lenten journey lightly, but I do travel it lightly. I am thankful that the Gospel of Jesus Christ gives me all the essentials to be faithful and grateful for the life I get to live daily. I may not be the sharpest tool in the shed or the brightest bulb in my lamps but I know I have the brightness of the light of Christ available to power me on and to share with the world around me. This amazing gift from God knows no limits and I am amazed I get to be part of the journey.

My prayer for each of us is to recognize these amazing revelations. God is with us. Jesus has shown us the way. God's Spirit will never give up on us. Never.

As I often say during the day, "Thank you Jesus."

In Christ,
Pastor Bob
